

## Site inspection report

For the purpose of establishing retail outlet (Petrol Pump) of M/S BPCL Ltd. on the Khesra No.767, Khata no.27 Mouza-Korha, Thana no.112 in Katihar District, a proposal for diversion of 0.018 Hectare of forest land has been submitted by Mr. Vikash Kumar Manohar s/o Sri Bhola Prasad Chourasia, Village-Maheshpur, P.O.+P.S.-Korha, District-Katihar under Forest (Conservation) Act 1980. I have inspected the site on 12.01.2018 with Range Officer of Forest, Katihar and Mr. Manohar. As per the proposal, the proposed site of Petrol Pump is just along side of Falka-Korha-Kadwa (NH-81) road which is a notified forest. For entry and exit from the road to Pump site, 0.018 Hectare of forest land will be required to be diverted, the calculation of which is attached with the proposal. For developing entry and exist path from the road to the pump site no trees/plants are required to be felled. It was found that Mr. Vikash Kumar Manohar has already established the Petrol Pump and 0.018 Hectare of forest land is being used as entry and exit path (photographs enclosed). The distance of next retail outlet from the proposed site is 9 Km in the East side whole it is 3 Km in the West side.

During inspection no endangered/unique species of flora and fauna has been found. Also no protected archaeological/heritage site/ defence establishment is located near the site.
