

**Site inspection report of TANTEA Sales bunk entrance and for the movement of Consumers Service at Valkaradu RF in Theni, Theni District, Tamilnadu**

I inspected the linear area, falls under Valkaradu RF of Theni Forest Division which has been proposed for TANTEA Sales Bunk setting on 27/03/2018. The total area 0.0048768 Ha. is plain adjacent to Theni-Madurai Main Road, having no tree growth.

There is no spontaneous tree growth in the proposed forest area. There is no endangered species of flora and fauna found in the proposed area. The proposed area for diversion does not have any important monuments which are archaeological / heritage site / defence establishment etc.

In the proposed area, the user agency has not carried out any work, which contravenes the Forest conservation Act 1980. Since there is no alternate site for promotion of TANTEA sales (Which is Tamilnadu Government and Sister Department of Tamilnadu Forest Department), Diversion is very much essential and hence recommended for 0.0048768 Ha.

  
District Forest Officer,  
Theni Forest Division, Theni
