

SITE INSPECTION REPORT

NOT BELOW THE RANK OF DCF

(For the forest land to be diverted under FCA 1980)

A proposal has been received by this office from **Executive Engineer P.W.D Pokhari** for diversion (under FCA 1980) of **1.8235 Ha.** of Forest land for non-forestry purpose. The project envisages transfer of Forest land for the **Construction of Thalgarh-Dadau Motor Road**

I have carried out the site inspection of the land required on dated 15.10.2022 . The proposed motor road starts from Trishula II Reserved Forest Block, Compartment number 23a and goes through the agriculture and Vanpanchayat land of Kalseer village and reaches up to Dandau village. The total length of proposed motor road is 4.00 km and the forest land required by the User Ancy is **1.8235 Hectare.**

The requirement of Forest Land as proposed by the User Agency in Column no.-2 of Part-1 is unavoidable and is barest minimum required for the project. - **yes**

There are no rare / endangered / unique Species of Flora and Fauna found in the area- The proposed forest land, for diversion, abodes the following rare and valuable species of flora- **Rhododendron arboreum, Quercus trileucophora, Alnus nepalensis, Juglans regia, Quercus floribunda, Myrica esculata** etc. The, **Leopard, Black Bear, Yellowthroated Martin and Barking Deer** are the most endangered wild animals which occasionally encounter there.

There are no Archaeological / heritage site / defined establishment or any other important Monument located in the area- **No Archaeological, heritage site, defined establishment or any other important monument are located on the proposed land.**

The User Agency has not violated the provision of Forest Conservation Act, 1980 and no work has been started without proper sanction.

Recommended in public interest.
