

#### PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department).

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

(While giving opinion the advance comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal pertains to construction of public toilet cum washroom to be used by senior citizens at a location adjacent to Maitilang Park, East Khasi Hills District at Upper Shillong. The site for diversion of Forest Land falls in Upper Shillong Protected Forest (C/3). There are no trees to be felled for undertaking this construction and involves diversion of 0.006 Ha of Forest Land.

Since the project is a purely public utility project to facilitate the conveniences of the tourists visiting the park and Upper Shillong is a favoured tourist destination, hence, the undersigned concurs with the recommendation of the Conservator of Forest.

Hence, the proposal is **recommended**.

Date : 17th January, 2019.
