**Construction of 33KV D/C Transmission line for 16MVA  
power supply arrangement to M/s CCL-Karo Konar OCW  
from DVC-BTPS S/yard**

The proposed site for diversion of 4.9969 ha. area for M/s Damodar Valley Corporation was inspected on 20.09.2022

The proposed site is having miscellaneous vegetation with a canopy density of 0.6 (approx). During site inspection, it has been found that 964 trees (as submitted in enumeration list) are present on the applied land which needs to be removed.

No protected archaeological/heritage site or any other important monument are located on the said project area.

No rare/endangered unique species of flora and fauna were found during the inspection in the diverted area for the said project.

  
Divisional Forest Officer,  
Bokaro Forest Division, Bokaro.
