| (iii)     | Area of forest land proposed for (diversion in hectare with also includes muck dumping                                                                                                                               | 03-98-50 hectare.                                                                                                                                                            |
| (iv)      | Forest area for cattle crossing, bus stop and passing places.                                                                                                                                                        | 00-00-00 hectare.                                                                                                                                                            |
| (v)       | Legal Status of forest                                                                                                                                                                                               | UPF Kahu                                                                                                                                                                     |
| (vi)      | Density of vegetation                                                                                                                                                                                                | 0.31 (Open Forest)                                                                                                                                                           |
| (vii)     | Species-wise (scientific names) class and diameter-wise enumeration of trees.                                                                                                                                        | Detailed enumeration list is enclosed.                                                                                                                                       |
| 2.        | Brief vulnerability of the forest area to erosion.                                                                                                                                                                   | The area is not seriously eroded or is not much vulnerable to erosion.                                                                                                       |
| 3.        | Approximate distance of proposed site for diversion from boundary of forest.                                                                                                                                         | 700 Metres DPF Kahu                                                                                                                                                          |
| 4.        | Whether from part of national park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc ( if so detail of the area and comments of the Chief Wild life Warden to be annexed)                | No                                                                                                                                                                           |
| 5.        | Whether any are / endangered / unique species of flora and fauna found in the area? If so, details thereof.                                                                                                          | No                                                                                                                                                                           |
| 6.        | Whether any protected archaeological /heritage site /defence establishment or any other important monument is located in the area? If so, the detail thereof with NOC from competent authority, if required.         | No                                                                                                                                                                           |
| 7.        | Whether the required of forest land as proposed by the user agency in col. 2 of part – I is unavoidable and barest minimum for the project? If no, recommended area item –wise with detail of alternatives examined. | Yes                                                                                                                                                                          |
| 8.        | Whether any work in violation of the Act, has been carried out? If yes, detail of the same                                                                                                                           | No                                                                                                                                                                           |

|        |                                                                                                                                                                                                              |                                                                                                                    |
|--------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------|
|        | including period of work done, action taken on erring officials. Whether work in violation is still in progress?                                                                                             |                                                                                                                    |
| 10.    | Detail of compensatory afforestation scheme:                                                                                                                                                                 |                                                                                                                    |
| (i).   | Details of non-forest area / degraded forest area identified for compensatory afforestation its distance from adjoining forest number of patches size of each patch.                                         | 8 hectare area degraded forest area identified for compensatory afforestation .The detailed CA scheme is attached. |
| (ii)   | Map showing non forest /degraded forest area identified for compensatory afforestation and adjoining Forest boundaries                                                                                       | Attached.                                                                                                          |
| (iii). | Detail compensatory afforestation scheme including species to be planted implementing Agency time scheduled cost structure etc.                                                                              | Attached.                                                                                                          |
| (iv)   | Total financial outlay for compensatory afforestation scheme.                                                                                                                                                | Attached at for CA Rs. <b>26,51,339/-</b> and Dumping Scheme Rs. <b>3,97,701</b> only.                             |
| (v)    | Certificate from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view (to be signed by the concerned deputy conservator of forest ) | Attached.                                                                                                          |
| 11     | Site inspection report of the DCF (to be enclosed especially highlighting facts asked in Col.7 (ix-xii) 8&9 above                                                                                            | Attached.                                                                                                          |
| 12     | Division District profile.                                                                                                                                                                                   |                                                                                                                    |
