

**PART – III****(To be filled by the concerned Conservator of Forests)**

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observation made in form of inspection note to be enclosed.

No,

15. Whether concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.

Yes,

16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.

The proposal is meant for construction of sub-station. It will develop the transmission system and also mitigate the acute shortage of power due to non availability/inadequate capacity of transmission system in the area. It will fulfill the energy requirements for the people living in the area. As the proposed area is within the forest, all necessary precautions should be taken by the user agency to prevent electrocution and accidents of wild life in the area. As the information given by Divisional Forest Officer, Hazaribagh West Forest Division, the proposed area for diversion falls under ESZ of Hazaribagh Wildlife Sanctuary

In view of aforesaid facts, this proposal is being recommended for the diversion of 4.04 ha. of Protected Forest for approval from the Government under the provisions of Forest (Conservation) Act, 1980.
