

Recommendation of the Divisional Forest Officer, Central Forest Division, Manipur for the project "Diversion of 0.36 Ha forest land inside the Langol Reserved Forests for construction of RCC Master Reservoir 6.5 ML capacity over 0.36 Ha (60M X 60M)" by the PHED, Manipur:

Considering the need for supply of drinking water for new Imphal Planning area, the proposal submitted by the PHED, Manipur for diversion of 0.36 Ha (60M X 60M) forest land inside the Langol Reserved Forests for construction of RCC Master Reservoir 6.5 ML capacity is recommended subject to the following conditions:

- a) The User Agency shall physically demarcate the area by constructing compound wall or other permanent fence.
- b) Retaining walls shall be constructed at the project costs along the boundaries adjoining to the nullahs to prevent land slide and soil erosion.
- c) Unauthorised establishment of labour camps/huts shall not be allowed inside the adjoining forests.
