

SITE INSPECTION REPORT BY CCF, AJMER

(For the Forest land to be diverted under FCA)

Proposal No. : FP/RJ/ROAD/21332/2016

Name of Project: Diversion of 4.9696 ha. forest land for Development of Bewar Masuda- Goyala Road , Section of SH-26A From Km. 2+550 to Km. 72.400, in the state of Rajasthan. FP/RJ/ROAD/21332/2016

The site inspection of the land involved in the proposal has been done by me on dated **11.04.2023** on inspection of the site; it is found that land required by the user agency is in protected forest area measuring **4.9696 ha.**

The requirement of forest land as proposed by the user agency in Col.2 of part-I is unavoidable and is barest minimum required for the project.

Whether any rare / endangered / unique species of flora and fauna found in the area. If so, the details thereof.....**NO**.....

Whether any protected archaeological / heritage site / defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from component authority, if required.....**NO**.....

(a) The user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without Proper sanction.

(b) It has been found that the user agency has violated the Forest (Conservation) Act, 1980 provisions.

(A detailed report as per 1.9 of Chapter 1, Part C of Hand book of Forest (Conservation) Act, 1980 is attached).

(Note: Whichever of the above as applicable should be shown in bold letters)
Forest land Proposed for Diversion Legal Status is Protected Forest (PF)

Specific recommendation for acceptance or otherwise of the proposal.

The proposal is recommended for approval in the larger interest of the public.

"The proposed road is breaking the forest block into two parts. Leaving the remaining forest area unprotected/unfenced, the area will be prone to severe encroachments in the future. Hence, it is recommended to construct the boundary wall along the forest boundary at both the sides at the cost of user agency for protecting the remaining forest area."
