8	Whether the requirement of forestland as proposed by the user agency in col. No. 2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternative examined.		Existing road is already passing through forest land and proposed land is necessary for widening of road and improvement of curve Demand of land is barest minimum and unavoidable.																	

9.	Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress.	Yes. Agency had already started work on forest land. Agency had completely excavated 222 m of earlier tar road and laid DLC Concrete on half width of 96 m of road. Forest guard has issued POR 8/19 under Indian Forest Act-1927 dated on 20/05/2019. work is stopped since then and enquiry is in progress.
10	Details of compensatory afforestation scheme: -	
	i)	Details of non forest area/ degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch.
	ii)	Map showing non forest/ degraded forest area identified for compensatory afforestation and adjoining forest afforestation boundaries.
	iii)	Detailed compensatory afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc.
	iv)	Total financial outlay for compensatory afforestation scheme.
	v)	Certificate from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests).
11.	Site inspection report of the D.C.F. (To be enclosed) especially highlighting facts asked in col. 7 (xi), (xii), 8 and 9 above.	Site inspection report of the D.C.F. Washim is attached.
12.	Division/District profile: -	
	(i)	Geographical area of the district
	(ii)	Forest area of the district
	(iii)	Total forest area diverted since 1980 with number of cases.
	(iv)	Total compensatory afforestation stipulated in the district/division since 1980 on
	(a)	forest land including penal compensatory afforestation
	(b)	non-forest land
	(v)	Progress compensatory afforestation as on (date) 30/07/2020
	(a)	forest land including penal compensatory afforestation
	(b)	non- forest land
13.	Specific recommendations of the D.C.F. for acceptance or otherwise of the proposal with reasons.	Road was already passing through this portion of forest land. no alternative land is available for this hence it is recommended to accept the proposal.

Place : Washim

Date : 20 August, 2020
