INSPECTION REPORT

Subject:- Proposal No. FP/JK/OFC/43961/2020 for laying of Optical Fiber Cable to provide 4G Network-regarding site inspection Report

The inspection of the area was done on 18-07-2020 along with Range Officer, Block Officer and field officer. During the visit, it was found that the area required by the User Agency for laying of the OFC is **0.4402 ha**. The OFC cable will pass through the compartments 24/R, 25/R, 26/R and 27/R Bhangara Block, Ramban Range of Ramban Forest Division. No felling of tree is required. The area was again visited by the Block Officer Bhangara and field officials on 10-09-2020 and reported no violation by the User Agency.
