**Recommendation from Divisional Forest Officer/Deputy
Conservator of Forest, Kangsabati North Division.**

This project proposal is related to CGS Jamshedpur, WB Pipeline Project (JHBDPL). The proposal No. FP/WB/Pipeline/141208/2021 has been submitted by GAIL (India) Limited for diversion of Forest Land of **2.4692 ha** under Kangsabati North Division. This Pipeline route is the most suitable route from social, environmental and economical point of view for the State of West Bengal. It will lead to environmental benefits and availability of cleaner fuel to the citizens of this region. The extent of the forest area is completely unavoidable which passes over Unclassed State Forest & Protected Forest area. However, the forest area involved in minimum extent required for the execution of the project. Since its an underground pipeline project, there shall not be any hindrance w.r.t to Wildlife movement (if any). Hence, it is recommended by the undersigned.
