On 09.03.2021 inspected the area proposed for diversion of 1.193 Ha. of Forest land for providing BT Road on Yellareddypally to Kattikindi Tanda via Yellareddypally Thanda (0/0 km to 2/50 km) & Moodumamindla (Tanda) in Rajampet (M) Lingampet RF of Kamareddy Division and District which is passing from reserve forest area in Kamareddy Division. The proposed area is passing through Compt. No. 678 of Lingampet R.F Yellareddypally (W) Beat of Argonda Section of Kamareddy Range. I have verified the proposed road area passing through Compt.No.678 and width of the road is 10 mtrs and length is 1192.99 Mts. The Forest Range Officer, Kamareddy has enumerated the trees which are falling in Lingampet R.F. in Compt. No.678, but no species are found in proposed area. The wild animals like Spotted Deer, Neelgai, Wild Boar and Bears are seen in this area. **The proposed area falling in Pocharam Wildlife Sanctuary. Necessary proposal under Wildlife Format are submitted to competent authority for clearance of SBWL and NBWL.**

I have test checked the same and found correct. Density is 0.0 to 0.2.

Further it is submitted that I have searched for the other alternatives but there is no alternative land available except the present proposal. This is the barest minimum area i.e., required for providing BT Road on Yellareddypally to Kattikindi Tanda via Yellareddypally Thanda (0/0 km to 2/50 km) & Moodumamindla (Tanda) in Rajampet (M) Lingampet RF of Kamareddy Division and District. No work is started on the date in violation of Forest Conservation Act. There are no encroachments and claims in the R.F area that attracts the RoFR Act, 2006. The area is free from encroachment. There are no claims pending in RoFR Act, 2006. There are no endangered species that are caused or harmed due to providing BT Road on Yellareddypally to Kattikindi Tanda via Yellareddypally Thanda (0/0 km to 2/50 km) & Moodumamindla (Tanda) in Rajampet (M) Lingampet RF of Kamareddy Division and District.
