

**SITE INSPECTION REPORT**  
**(For the Forest Land to be diverted under FCA)**

A proposal has been processed for Mining / Quarrying of Dholpani River at Chirang RF under Ultapani Range of Haltugaon Division and Mining Plan has already been approved by Director, Mining & Geology and EC also accorded to the User Agency. Also The Project was proposed prior to the Notification of Raimona National Park and also there is no notified ESZ of Raimona National Park, therefore the boundary is calculated on the basis of General Standard i.e. 10 KM, the Proposed area though falls inside the ESZ but there will be no impact on flora and fauna in the area as the mining will be done as per Mining Plan approved by Director, Mining & Geology under Forest Department strict vigilance. It will support the Major and Minor Development activity of various Govt. Department and thus generate revenue to the Govt. exchequer without any damage of Forest and Environment, provided mitigative measures are implemented by User Agency as per guideline.

**Salient features of the proposed diversion area:**

- There is no plantation raised by this division in the proposed area.
- The area consist NO trees as it is a River Bed of Dholpani River.
- The Forest area to be diverted is plain.

The user agency has not violated the provisions of Forests (Conservation) Act, 1980 and no work has been started without proper sanction / approval.

**Specific recommendation for acceptance or otherwise of the proposal:**

The Diversion proposal for Mining / Quarrying of Dholpani River at Chirang RF under Ultapani Range of Haltugaon Division measuring Area of Forest Land = 6.90 HA is recommended for acceptance.
