

GOVERNMENT OF TELANGANA
FOREST DEPARTMENT

From,
Dr.G.Chandrashekar Reddy,I.F.S.
Chief Conservator of Forests/CF,
Hyderabad Circle,
Hyderabad.

To,
The Principal Chief Conservator of Forests
(HoFF),
Telangana State,
Hyderabad.

Rc.No.1559/2010/D1,Dt.18.09.2017.

Sir,

- Ref:- TSFD - FC Act,1980 -Proposal for diversion of 0.3927 Ha of Forest land in Yadadri Bhuvanagiri District for formation of Right of way of reach the agriculture land situated at Somajipally village in favour of M/s Padminee Plantations Pvt., Secunderabad - Alternate way examined - Application - Report submitted -Reg.
- 1.PCCF,TS,Hyderabad Rc.No.15004/2010/FCA-2,Dt.08.09.2015 & 24.07.2015.
2. PCCF,TS,Hyderabad, Rc.No.2695/2015/S5,dtd.12.09.2017.

Adverting to the reference 1st cited, it is submitted that vide reference 2nd cited, the District Forest Officer, Yadadri Bhuvanagiri has submitted that the somajipally Forest Block and patta land of applicant was inspected personally by me and the District Forest Officer, Yadadri Bhuvanagiri along with the Forest Range Officer, Yadadri Bhuvanagiri, Forest Section Officer, Turkapally and Forest Beat Officer, Turkapally on 05.09.2017 to explored feasibility of alternate way to reach the field of the applicant to avoid fragmentation of Forest Block which is very small in extent of area 24.76 Ha only.

However, during the perambulation of the areas it is observed that the said patta land of the user agency is having other patta lands with orchards in the North and in the south side surrounded by water pond and west side somajipally R.F. Block. It is found that a clear way from somajipally village to patta lands in the East side and west side of the user agency land and the same is also found in the revenue village map (Village map showing location of road is enclosed)

Therefore, it is submitted that the proposed right of way to the patta land of the applicant through somajipally R.F. is not essential and is avoidable keeping in view of fragmentation of the Forest Block very small in extent and there will be adverse effect on the forest area if diverted for non - Forestry purpose.

In view of the above, the application may be rejected and the user agency may be informed accordingly.

This is submitted for favour of kind information and necessary action.

Encls: (Village map showing location of road).

Yours faithfully,
Sd/-

Chief Conservator of Forests/CF,
Hyderabad Circle,
Hyderabad
