

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department.)

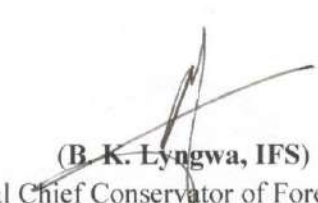

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically be reviewed and critically commented upon).

The proposal pertains to diversion of 0.11 Ha. of forest land for laying of DI Pipes through Law Syiem Deemed Forest (0.05 ha), Riat Laban Reserve Forest (0.023 ha) and Laitkor Protected Forest (0.033 ha) for providing water supply to the Air Force Station, Air Command Complex, Laitkor.

Perused the views of the Conservator of Forests (Territorial), Khasi & Jaintia Hills in Part-III wherein it is observed that there are no trees to be felled. Since the project is of great importance to the Air Force Station, I therefore, concur to the views of Divisional Forest Officer (T) and the Conservator of Forests (T) for diversion of the forest land for the aforementioned purpose.

Hence, the proposal is recommended.
