

RECOMANDATION REPORT

I have inspected the proposed site for Kuvempu University in wildlife area of Singanamane Minor Forest ,Tamadihalli State Forest and Aldara State Forest in following villages if Lakkavalli Wildlife Range on Date:06-06-2020. This is on the boarder of the wildlife area and part of the constructions activity is already completed. There are some sandal wood trees and this may be protected by the User Agency. Total area should be closed to restrict the movement of wildlife in the university area. Totally 89.84 Ha of area is recommended for lease.

Village with Sy no	Forest Land (in ha)
Tevaraghatta sy no:14	28.15
