

(Form A Part III of Forest Conservation Act, 1980)

**SPECIFIC RECOMMENDATION OF CONCERNED CONSERVATOR OF FORESTS
FOR ACCEPTANCE OF OR OTHERWISE OF THE PROPOSAL WITH DETAILED
REASONS**

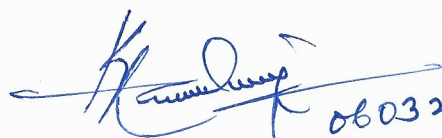

Quarrying of earth/soil from the degraded proposed site at Lhonchin village in Senapati district, which shall be rehabilitated by the User Agency on completion of quarrying with a number of mandatory rehabilitation activities, will help supply of earth/soil required in development activities of Infrastructure projects and other civil works taken up by both State and Central Governments, especially in the valley districts. Hence, the project is recommended.
