

PART-III

(To be filled by the concerned Chief Conservator of Forests)

**Proposal for diversion of 0.597 ha of forest land in favour of Executive Engineer, Rural Water Supply and Sanitation Division, Ballari for laying of drinking water pipeline.
Proposal No.FP/KA/Water/19553/2016.**

1	Whether site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes/No). If yes, the date of inspection and observations made in the form of inspection note to be enclosed.	No. However, I agree with the field inspection made by the Deputy Conservator of Forests, Ballari Division, Ballari.
2	Whether the concerned Chief Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forests.	I agree with the information given in Part-II and recommendations of the Deputy Conservator of Forests, Ballari Division, Ballari.
3	Specific recommendation of concerned Chief Conservator of Forests for acceptance of otherwise of the proposal with detailed reasons.	Since the diversion of forest land over an extent of 0.597 ha as sought for by the user agency is barest minimum and quite genuine. Moreover, the laying of water pipeline is aimed at to supply drinking water to the Bukkasagara and other several villages in Hospet taluk, Ballari division. Hence, the diversion proposal may be considered as per the section 2 of Forest (Conservation) Act, 1980.
