

## **RECOMMENDATION**

This Tori Shivpur new B.G. Rail line proposal requires 15.89 ha. of forest which is almost devoid of vegetation. Hence the applied forest area is recommended for diversion out of total applied area 15.86 ha. is notified forest and rest 0.03 ha. is GMJJ. Soil filling and leveling work has already been done in 1200 sq. ft. in Bana P.F. without prior approval from Government of India.
