

Recommendation of D.C.F. Bilaspur,HP

FULL TITLE OF THE PROJECT: Diversion of 0.2 hectare of forest land for the construction of 33/11 KV Electrical Sub Center Shree Naina Devi Ji within the jurisdiction of Bilaspur Forest Division.

FILE NO. : FP/HP/Sub Station/148224/2021

DATE OF PROPOSAL: 14 Oct 2021

Vide Notification No. Ft. (a)-1/5/52 dated 15.01.1952 all the waste land has been notified as Forest land in District Bilaspur. Hence, In Bilaspur district except small land holding all the land available is forest land. Keeping in view all other alternatives, the diversion of 0.2 forest land is unavoidable. As per UA the approximate demand of the area to be shifted from existing Sub-Station Kot to proposed 33/11 KV Sub Station Shri Naina Devi Ji shall be approximate 1.529 MVA and the present load demand invariably is increasing. Therefore, keeping in view of above actual load demand of existing feeding Power Sub-Station and to meet up to the future load demand of prospective consumers as well as I&PH Department upcoming schemes, the feeding power Sub-Stations will be over loaded shortly. Therefore, keeping all these facts in view 33/11 KV, 1*3.15 MVA power Sub Station is proposed to be installed at Shree Naina Devi Ji which will not only save the transmission loss but will also give load relief to the present feeding power Sub Station and provide better reliability of supply to the Shaktipeeth Shree Naina Ji Temple and respective consumers of the area. Keeping in view of above facts, the project is recommended.

Divisional Forest Officer,
Bilaspur Forest Division,
Distt. Bilaspur, H.P.
