

RECOMMENDATION

The proposed road will provide the connectivity to villages Merari, Jandrog, Chihun, Rathbhora and Chakki and will cater the needs of population near about 1904 (As per 2011 Census). Therefore, the construction of link road Dadriara to Chakki is justifies in the interest of local people. As such, there is no other land available for the proposed road, as all the Govt. waste land/degraded land has been involved is unavoidable and barest minimum for the said road. Hence the proposal is recommended for approval please.
