

Recommendations Report by D.F.O

The proposed diversion of forest land needed for widening and strengthening of road which will facilitate the state in achieving all aspects of development and economy. The User Agency has taken proper care to avoid forest land in aligning the route of the existing road. The forest area proposed for diversion is the bare minimum. The area is known for huge production of Mahuwa Flower and seeds as well as chiroungi Trees. The aforesaid road will facilitate the trading of forest produce and will also improve the connectivity between Chhattisgarh and Jharkhand State.

In the broader interest of the Nation and the State, the submitted proposal for diversion of 3.455 Ha forest land and 0.863 ha jungle jhari land (Total 4.318 Ha.) meant for laying of widening and strengthening of Kochedega - Ramrekha Dham upto Chhattisgarh border road is being forwarded with recommendation for acceptance.
