This project proposal is related to **JAGADISHPUR TO HALDIA & S'PUR PIPELINE PROJECT (JHBDPL)**. The proposal No. **FP/WB/Pipeline/141208/2021** has been submitted by GAIL (India) Limited for diversion of Forest Land of **3.2641 ha** under Purulia Forest Division. This Pipeline route is the most suitable route from social, environmental and economical point of view for the State of West Bengal. It will lead to environmental benefits and availability of cleaner fuel to the citizens of this region. The extent of the forest area is completely unavoidable which passes over Protected Forest area. However, the forest area involved in minimum extent required for the execution of the project. Since it's an underground pipeline project, there shall not be any hindrance w.r.t to Wildlife movement (if any). Hence, it is recommended by the undersigned.
