

**Letter of Recommendation Not below the rank of DCF**  
**(For the forest land to be diverted under FCA)**

A proposal has been received by this office from Ghatampur Transmission Ltd. for diversion under FCA-1980 of 0.2624 Hectares of Protected Forest land for non-forest purpose . The project envisages the Diversion of Protected Forest Land for Transmission Line On Etah-Aliganj Road, Near Kansuri Village, Tehsil- Etah, District- Etah. The site inspection of the land in proposal has been done by me on dated: 24-07-2020

On inspection of the site, it is found that the land required by the user agency is Protected Forest (PF) measuring **0.2624 Hec.**

The requirement of forest land as proposed by the User Agency on col.2 of part ii is unavoidable and is the barest minimum required for the project.

No rare/endangered/unique species of flora and fauna in the area. There is no protected archeological/heritage site/defense establishment or any other important monument located in the area. More over the user agency has not violated the provision of Forest Conservation Act, 1980 and no work has been started till now and no work will be started without proper sanction. The user Agency has given the undertaking to comply with all the conditions that would be put by the state or/and Central Government during the process of getting sanction. Specific recommendation for acceptance or otherwise of the proposal.

The project is recommended as it would benefit public.
