

## **Recommendation of Conservator of Forest (T&WL) Khasi & Jaintia Hills Region, Shillong**

The proposed site about 0.489 Ha located in Shillong, East Khasi Hills district as inspected on 5<sup>th</sup> August 2021 holds 111 trees which are largely pine. The proposed area is bare minimum possible and I agree with the observations and recommendations of the DFO East Khasi Hills Division (T). Keeping in view the expected outcomes of the project concerning demonstration and dissemination of technologies of rural development in the state the proposal is recommended as proposed.

As far as possible felling of trees may be restricted to bare minimum.
