

RECOMMENDATION & JUSTIFICATION FOR PROPOSAL FOR REMOVAL OF
BLIND CORNER & STRAIGHTENING OF APPROACH ROAD AT MONGJAM,
HARAROU PROTECTED FOREST DIVISION

Considering the need for safe and better Inter Village Road (IVR) connectivity among villages and districts for improvement of socio-economic profile of a number of villages the project is recommended subject to the following conditions:

- a) The User Agency shall constructed at the project costs a boundary pillar and sinages along the boundary to protect from encroachment by physically demarcating the area since it is a Hararou Protected Forest
- b) Retaining walls shall be constructed at the project costs along the boundaries to prevent land slide and soil erosion.
- c) Unauthorised establishment of labour camps/huts shall not be allowed inside the adjoining forests.
- d) Compensatory Afforestation for the said project shall be undertaken at Makokching Centre (0.37 ha.) at Sadang Block of Saikul Range under Kangpokpi Forest Division.
