(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of the Forest Department).

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

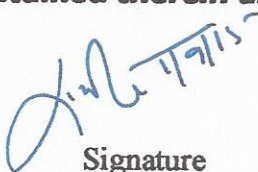

(While giving opinion, the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The Proposal is for diversion of 0.405 hec. / 1.00 acre of forest land in favour of the West Bengal State Electricity Distribution Company Ltd. (WBSEDCL), Paschim Medinipur, for construction of a new 33/11 KV Sub-Station near Hoomgarh of Jungle Mahal, Dist.- Paschim Medinipur.

The forest land, proposed for diversion, is unavoidable and the barest minimum for the project. This project is proposed to be set up to meet the growing demand for uninterrupted power supply in the domestic, commercial, industrial as well as agricultural sectors.

Hence the project may be approved in line with the provision of Forest Conservation Act, 1980 together-with the terms & conditions contained therein and its subsequent amendments.
