

PART III

(To be filled by the concerned Chief Conservator of Forests)

14. Whether site, where the forest land involved is located has been inspected by the concerned Conservator of Forests (Yes/No). If yes, the date of inspection and observation made in form of inspection note to be enclosed.

- Yes, the proposed area was inspected by the undersigned on 31/12/2021. (Inspection report enclosed).

15. Whether the concerned Chief Conservator of Forests agree with the information given in Part-B and recommendations of Deputy Conservator of Forests.

- Yes, agreed with the information given by the DFO, Cachar Division in Part-II.

16. Specific recommendation of concerned Chief Conservator of Forests for acceptance or otherwise of the proposal with details reasons.

- The diversion work of 132 KV S/C Haflong-Jiribam Transmission line of Power Grid Corporation under Borail Wildlife Sanctuary East Block under Cachar Division is needed for facilitating to execute the construction of Balacherra-Harengajao 4-lane Highway a Govt. of India Project having National interest. It will improve the communication system of the North-Eastern region without causing major damage of the forest and environment provided mitigated measures are implemented by the User Agency as per guideline of F.C.Act,1980. As the forest area proposed for diversion is unavoidable and barest minimum required for the project, therefore, the diversion of the forest land as above is recommended for acceptance subject to fulfillment of the terms and conditions of F.C.Act .
