

## RECOMMENDATION LETTER

The Mizoram State Roads Project-II (Group-I) is an upgradation of Tlabung to Kawrpuichhuah comprising widening of existing road with fresh cutting at few locations within forest area (4.98 ha) and running a total length of 11.85 kms. The project is unavoidable and there are no other alternative options available.

After careful consideration of all the pros and cons, and having verified the field situations, the project is recommended for approval by authority.
