**Proposal for diversion of 104.90 ha. Zudpi Jungle land of 32 villages in Nagpur City Taluka, Dist. Nagpur under Category II {Encroachments (excluding commercial purpose) prior to 12/12/1996 using simplified procedure} in consolidated form under Forest (Conservation) Act, 1980 in accordance with the procedure prescribed as per Government of India, Ministry of Environment & Forest's letter No. No.8-33/2001-Fc,dt.04/03/2014.**

**Specific Recommendation of Principal Chief Conservator of Forests (Head of Forest Force), Maharashtra State, Nagpur with regards to acceptance or otherwise of the proposal supported by reasons.**

---

Govt. of India, Ministry of Environment & Forests, vide their letter dated 04.03.2014 have approved simplified procedure for submission of diversion proposals for Zudpi Jungle under Forest (Conservation) Act, 1980, as requested by Govt. of Maharashtra vide letter dated 03.07.2013 (Copies Enclosed). The proposals are to be prepared for six categories separately. Govt. of India has also prescribed special dispensation for submission of documents along with the proposal. Though GoI has prescribed submission of proposals in a consolidated manner for a Taluka, it has been subsequently agreed that for a particular category and a particular Taluka more than one proposal may be submitted by the concerned Sub Divisional Officer (SDO) so that the process of preparation and approval of proposals may be fastened.

The Word Zudpi Jungle is in use in Vidarbha area since the settlement of 1911-12. The word "Shrub Jungle" is defined in Central Provinces Grazing & Nistar Act, 1948, & it covers the lands having trees of 4 years or lesser and land covered by shrubs. The settlement of 1911-12 in Nagpur district classified forest as they existed as "big tree forests" and "small tree forests", & land covered with shrubs were described as "Zudpi Jungle". The entry therefore actually meant land on which only shrubs grew. These lands are of murmadi soil where growth of large trees is not possible. Therefore these lands are commonly known as Zudpi Jungle.

The growth in urban areas of Nagpur district is hampered by existence of these patches of Zudpi Jungle to which provisions of Forest (Conservation) Act are applicable. In response to the proposal of Government of Maharashtra the Government of India granted permission to submit proposal for diverting Zudpi Jungle for public purpose under simplified procedure under the Forest (Conservation) Act-1980 vide Government of India MoEF (FC Division) Communication No. R.No.8-33/2-1-FC, decision of 4<sup>th</sup> March 2014. As per clause 2 of the said communication the Ministry will accept submission of category wise proposal for diversion of Zudpi Jungle lands. It is further stated in the communication that the user agency may be SDO in part-I but the details of Zudpi land should be provided for different villages and Khasra wise separately along with the digital maps. It is further stated that legal status of Zudpi Jungle lands for diversion shall remain the same; the State Government shall not use the Zudpi Jungle land for the purpose other than specified in the diversion proposal. In accordance with the simplified procedure, the instant proposal is being submitted. The proposal belongs to Category II (Encroachments (excluding commercial purpose) prior to 12.12.1996 using simplified procedure} and the details are as below:

1) Proposal for diversion of 104.90 ha. Zudpi Jungle land of 32 villages in Nagpur City, Taluka & Distt. Nagpur under Category II {Encroachment (excluding commercial purpose) prior to 12/12/1996 using simplified procedure} in consolidated form under Forest (Conservation) Act, 1980 has been submitted by Sub Divisional Officer (SDO), Nagpur City. It pertains to diversion of area under the category of encroachment (Category- II) for residential purpose in Nagpur City, Tal. & Distt. Nagpur. The area comprises six survey numbers in three villages which have been jointly inspected by Forest and Revenue authorities. The encroachments are prior to 1996 and exclude encroachments for commercial purposes. The area details are as below:
