(To be filled by the concerned Conservator Forest)

Sl. No.	Name of Document/ Information	Remarks
1	Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection and observations made in form of inspection note to be enclosed.	No
2	Whether the concerned Conservator of Forests agree with the information given in Part-II and the recommendation of the District Forest Officer	Yes
3	Specific Recommendation of the concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons. (Prl. CCF& HoFF, TG, Hyderabad Rc.No.18664/2018/FCA-1, Dt.19.03.2019).	Since the project requires linear diversion of Forest land along the right of way just beside a road and the area of diversion being very small, it will not have any noticeable effect on Flora and Fauna of the area. Further, it would help in bringing connectivity to the inferior area and have would improve the Socio-Economic conditions of the people. Hence, recommended for diversion.
