However, agreeing with the recommendation made by the Deputy Conservator of Forests, Bagalkote Division, the Chief Conservator of Forests, Belagavi Circle has also recommended the proposal while submitting the report in PART-III vide Ref (4).

**5. Compensatory Afforestation (CA):** Present proposal involves diversion of within one hectare of forest land. The latest FC Guidelines are silent on the requirement of equivalent extent of non-forest land for the FC proposals involving diversion of forest land up to one hectare. However, Para 3.2(viii) of the immediately previous FC Guidelines exempted such proposals from requirement of raising CA. Therefore, the present FC proposal may also be exempted from the requirement of raising CA. However, Para 2.6(i) of the latest FC guidelines mentioned above mandates that the cost of plantation (including ten years maintenance) of ten times the number of trees likely to be felled or specified number of trees as may be specified in the order for diversion of forest land (subject to a minimum number of 100 plants) shall be levied from the User Agency towards Compensatory planting. Even if there are no trees on the forest land proposed for diversion in the proposal, the User Agency will be required to pay the applicable charges in accordance with the PCCF (HoFF) O.M. KFD/HOFF/A5-3(GFL)/34/2019-FC [E-88289] dated 30-04-2020 **in case any tree felling is required in forest land at the time of execution of the project.**

**6. Net Present Value (NPV):** The User Agency is required to pay the Net Present Value (NPV) of forest land proposed for re-diversion as per Para 3.1 to 3.4 of the latest FC Guidelines communicated by Government of India, Ministry of Environment, Forests and Climate Change, New Delhi vide F.No. 5-2/2017-FC

dated 28-03-2019. **The User Agency has submitted an Undertaking to pay the Net Present Value (NPV) of the forest land proposed for diversion.**

7. **Status of RoFR compliance:** In order to meet the requirement of the provisions of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 and Rules 2008 and the FC Guidelines, the User Agency has not obtained/ furnished the (copy of) requisite **RoFR Certificate in FORM-I (for Linear projects)** issued by the jurisdictional Deputy Commissioner as per Annexure II of the FC Guidelines communicated by Government of India, Ministry of Environment, Forests and Climate Change, New Delhi vide F.No. 5-2/2017-FC dated 28-03-2019. Accordingly, **the User Agency is being informed once again to obtain the said certificate in prescribed format and submit a copy.**
8. **Additional remarks:** The information available in the proposal suggests that the Lift Irrigation Scheme in question is aimed at providing irrigation to a command area of 7200 hectare. As the said area is more than 2000 hectare, it is a major irrigation project and is thus not covered under the special provisions of Para 4.3 (f) of the FC guidelines for General Approval by the State Government. Accordingly, it is opined that the proposal will have to be submitted to the Government of India for seeking prior approval under the Forest (Conservation) Act, 1980.

Under the above circumstances and agreeing with recommendation of the field officers, **it is requested to move the proposal with the Government of India, Ministry of Environment, Forests and Climate Change for according 'in-principle' (Stage-I) approval under Section 2 of the Forest (Conservation) Act, 1980 for diversion of 0.18 hectare of forest land in Bandigani Village Sy No. 21, Terdal Hobli, Jamkhandi Taluk, Bagalkote District for laying of Raising Main Pipeline (1.32m dia) under Sri Venkateshwara Lift Irrigation Scheme in favour of Executive Engineer, Karnataka Neeravari Nigama Limited (KNNL), R&R Division, Athani, Belagavi District for a period of twenty (20) years, subject to submission of RoFR Compliance Certificate in FORM-I (for Linear projects) and the conditions listed in Annexure 'A'.**

The hard copy of the proposal along with the relevant documents in 3 sets is submitted herewith for further needful. The present status of the proposal obtained from the web-portal is also appended for necessary action.

Yours Faithfully

(Sanjai Mohan IFS)
