

**Recommendations of the  
DCF for acceptance or  
otherwise of the proposal  
with reasons.**

The School aims to provide quality education to students at far flung areas with a healthy environment for education free from pollution and distractions. User Agency has chosen the site as such spacious and open space is not available in the area. The project proposal for diversion of 0.27 Ha forest land is recommended under the following terms and conditions:

- a) School, Hostel, Office building and Playground campuses may be physically demarcated by constructing pucca compound walls all around.
- b) The user agency should restrain itself from changing the landscape of the area and should not excavate and transport hill earth from the area to any other place for any purpose without permission from competent authority.
- c) Adequate protection measures shall be taken up to protect the adjoining forest and prevent forest fire during the dry seasons as directed by the Range Officer, Nongmaiching from time to time.
