SPECIFIC RECOMENDATION OF DIVISIONAL FOREST OFFICER, GOLAGHAT
DIVISION, GOLAGHAT FOR ACCEPTANCE

The proposed diversion of Forest Land for Harupani Sand Gravel Mahal inside Doyang Reserve Forest is under Jamuguri Range.

The Golaghat district with an area of 3500 km² and population of 10,66,888; is lacking behind in infrastructure development. There is a huge shortage of sand gravel in Golaghat & adjoining district. So, to meet the immediate requirement of sand gravel for development works a new Mahal needs to be immediately opened. The requisition of forest land is unavoidable as the gravel is available in the entire district in Reserve Forest area only.

The proposal for diversion of forest land measuring 5.0 hectare inside Doyang Reserve Forest for Harupani Sand Gravel Mahal is hereby recommended at the site proposed for diversion by the User agency
