

PART-IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest department)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance of otherwise of the proposal with remarks.

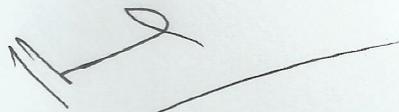

(While giving opinion, the adverse comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

Proposal No:- FP/AS/TRANS/149737/2021

As per the Site Inspection Report of Conservator of Forests, Northern Assam Circle, Tezpur the proposed area is a partially encroached area, no archaeological/heritage site, defence establishment or any other important monument located in the proposed site. There are no rare/endangered known species of flora and fauna found in the proposed area. But elephant movement are found in the proposed area. Therefore, the forest diversion proposal of 10.381 Ha. forest land for construction of 132 KV D/C pare HEP to North Lakhimpur transmission line in Ranga Reserved Forest under Lakhimpur Division in favour of Vapi-II North Lakhimpur Transmission Ltd. is hereby recommended with a condition that the User Agency (Vapi-II North Lakhimpur Transmission Ltd.) to deposit 2% of the total project cost for HEC mitigation and wildlife conservation purposes, as the area is frequented by movement of wild elephants. The User Agency (Vapi-II North Lakhimpur Transmission Ltd) shall also follow all the guidelines issued by Wildlife Institute of India/MoEF & CC for maintaining the required height and protection to movement of birds/wildlife
