

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department).

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

(While giving opinion the advance comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal concerns diversion of forest land in Upper Short Round Protected Forest for an area of 0.10146 ha in Shillong, for the purpose of construction of black topped road along the existing footpath. The instant project would not require felling of any tree since the area proposed for diversion is barren land.

Perused the views of the Conservator of Forest (Khasi & Jaintia Hills) Territorial in part III. Considering that the diversion is required for improving road connectivity which would benefit the locality the instant proposal is recommended for granting diversion of forest land.

Hence, the proposal is **recommended**.

(C. P. Marak, IFS)
