

ANNEXURE-11/10

13. Specific recommendations of the DCF for acceptance or otherwise of the proposal
With reasons.

The alternative site proposed for the project is relatively flat and away from the steep slope at the boundary of the Reserved Forest. The project shall cater the water requirement in the locality of Lamlongei area. The project is recommended with a condition that the User Agency shall confine the project only within the area proposed to be diverted and shall not request for additional forest area for diversion in the future.
