

Recommendation for acceptance of the proposal

The proposed diversion of 50.51 ha of forest land for Widening and improvement of 65.80 km section of NH 39 (Imphal – Moreh) Highway will not involve large scale felling of trees. No significant impact on the existing forest ecosystem is anticipated.

On the other hand On the other hand, the project will ensure good road connectivity to the border township of Moreh, thereby improving the quality of life of the people living in Moreh.

Hence, the proposal is recommended for acceptance.
