Name of the work : Construction/Erection of Express feeder line (Transmission line) having 11kv capacity from Teradal Substation to Proposed Jackwell of Tamadaddi Village Through Teradal Forest Area for providing Drinking water Supply to Palbhavi and Other Four Villages in Raibag Taluk.

SITE INSPECTION REPORT

I have inspected the forest area proposed for diversion under Forest (Conservation) Act, 1980 for Construction/Erection of Express feeder line(Transmission line) having 11kv capacity from Teradal Substation to Proposed Jackwell of Tamadaddi Village Through Teradal Forest Area for providing Drinking water Supply to Palbhavi and Other Four Villages in Raibag Taluk on 19-05-2021. The proposed area falls in Sy. No.552 of Teradal village, Rabakavi-Banahatti taluk, Bagalkote District which is Reserve Forest.

The proposed area is site specific as the User Agency has option to the transmission line only through forest land. The area does not falls in any wildlife sanctuary and it does not affect any monuments of historical, recreational, archeological importance and including National Parks. Forest (Conservation) Act-1980 is not violated in this case. The demand for forest land proposed is Minimum and hence in this proposal is recommended for acceptance.

**Deputy Conservator of Forests,
Bagalkote Division, Bagalkote**
