Name of the work : Construction/Erection of Express feeder line (Transmission line) having 11kv capacity from Teradal Substation to Proposed Jackwell of Tamadaddi Village Through Teradal Forest Area for providing Drinking water Supply to Palbhavi and Other Four Villages in Raibag Taluk.

Recommendation

I have inspected the site on 19-05-2021. There is no violation of Forest Conservation Act 1980 proposed for Construction/Erection of Express feeder line (Transmission line) having 11kv capacity from Teradal Substation to Proposed Jackwell of Tamadaddi Village Through Teradal Forest Area for providing Drinking Water Supply to Palbhavi and other four villages in Raibag taluk.

The Forest land is demanded 0.91 ha. of Forest land for the proposed area is site specific. User agency has option to the transmission line only through the forest land. The proposed land does not falls in any protected areas and it does not affect any monuments of historical, recreational, archeological importance and including National Parks. The User Agency demand for the forest land is Minimum hence, in this proposal is recommended for acceptance.

Deputy Conservator of Forests,
Bagalkote Division, Bagalkote.
