

13. **Specific recommendations of the DCF for acceptance of otherwise of the proposal with reasons.**

The construction of 2 nos. of Zonal tanks for augmentation of Soreng Water Supply Scheme by Water Security and PHE department involved the barest minimum of forest land with a proposal to divert 0.0126 ha. of forest land. This diversion of forest land is recommended for approval subject conditions laid by the State and Central Government and felling of minimum no. of trees and poles wherever found absolutely necessary.
