

Inspection notes of the District Forest Officer, Srikakulam on proposed diversion of forest land 82.12 Ha of Dharmavaram un-notified Forest land in Sy.No.551 & 553 for setting up R & R colony of PDFs of Kovvada Nuclear Power Project of Etcherla Mandal of Srikakulam District.

Inspected the proposed diversion of forest land on 06.06.2020 along with Forest Range Officer, Srikakulam and staff. As per the DGPS survey the proposed R&R colony of PDFs of Kovvada Nuclear Power project, Etcherla mandal Srikakulam district is starts GPS readings N: 18.20085188 E: 83.89333118 and ends at N: 18.20857280 E: 83.893334107 82.12 Ha in Dharmavaram un-notified forest block in Sy.No.551 & 553 of Srikakulam Range with an area of 82.12 Ha. The density of the forest of the R&R colony is 0.4 to 0.7.

The species wise trees are enumeration which are falling in the proposed diversion of Dharmavaram Forest land are hereunder furnished.

Sl.No	Local Name of the tree	Botanical name of the tree	No.of trees
1	Sarugudu	Casuarina equisetifolia	51690
2	Vepa	Azadirachta idica	3860
3	Thati	Borassus flabellifer	400
4	Seemachinta	Pithecellibium dulce	112
		Total:-	56062

There is no violation of work being taken place. The required forest area is unavoidable and no endangered and unique species of flora and fauna and no protected archeological importance in the locality.

However, while interacting with local people and Range staff, movement of wild animals like, Fox, Jackal & wild bores etc., are occasionally seen in that area.

The diversion of forest land over 82.12 Ha for setting up R&R colony of Nuclear power park at Kovvada. Hence, the proposal for diversion of forest land may be approved in favour of the user agency on its own merit.

District Forest Officer
Srikakulam
