In the proposed area, no rare / endangered / unique species of flora and fauna are found. Likewise no protected archaeological / heritage site / defense establishment or any other important monument is located. The User Agency has proposed for laying of OFC line within the admitted Right of way and existing roads in different RFs of Venkatapuram Division. In Venkatapuram and Venkatapuram Ext-I, Alubaka Ext-I, Nuguru, Peruru, Krishnapuram Reserve Forests / R&B road from Alubaka to Krishnapuram of Venkatapuram Division

The Proposed OFC is passing through the above Reserve Forests along the Existing R&B Road. The area is having different type of vegetations, which is having 0.3 Density. No trees are coming in earth work of 0.40mt wide along the R&B Road. Hence, no felling of trees required.

The area proposed for diversion is barest minimum and unavoidable without alternatives for the project. No work in violation of the Act has been carried out by the User Agency.

The laying of Optical Fiber Cable (OFC) will improve the digital communication and connectivity in the interior areas of LWE District of JayashankarBhupalpally.
