

Full Title of the Project : Construction of water supply scheme augmentation
brinal along with laying of 150 mm Dia 1500m raw
water main

Proposal No. : FP/JK/WATER/147717/2021

Date of Proposal : 12-10-2021

**Specific recommendations of DFO for acceptance or otherwise of the proposal
with reasons:**

1. The area proposed for diversion is part of compartments N-32b & N-33, Block Lammer, Kulgam Forest Range. The Compartments N-32b & N-33 are part of Deodar-Kail Working Circle.
2. The area proposed for diversion has open crown density.
3. The area proposed for diversion is 0.0819 Ha. The Pipeline feeds the villages viz., Brinal, Lammer, etc.
4. As such the project is recommended for diversion, however following conditions may be put in place for compliance by user agency to avoid any kind of damage to the forests:
 - i. The user agency shall not dispose, or dump any debris, soil, rock etc in the adjacent forest area, but shall dispose off the same outside without causing any damage to the forest area.
 - ii. The user agency shall take the required steps to protect and safeguard the land beyond used limits to save it from damage.
 - iii. That any damage caused by the user agency or its employees and people employed by the contractors shall be recovered from the user agency.
