

**PART-III**  
**(To be filled by the concerned Conservator of Forests)**

**14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observations made in form of inspection note to be enclosed.**

- Yes, the proposed diversion site is inspected by the undersigned on 26.12.2022. The Site Inspection Report along with Photographs is uploaded in the parivesh web portal.

**15. Whether the concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.**

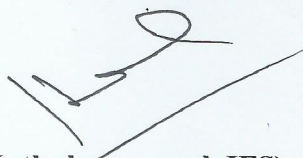

- Yes, agree with the information given by the DFO, Goalpara Division, Goalpara in Form-A Part-II.

**16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.**

- The proposed diversion area of 41.747 hectares is for construction of 400 KV D/C Bongaigaon to Nagalbibra Transmission line. The said project is a Government of India Project having National interest. It will improve overall power scenario of the North Eastern region without causing major damage to the forest and environment provided some mitigation measures are taken by the User Agency as per guideline of Forest (Conservation) Act, 1980. As the forest area proposed for diversion is unavoidable and barest minimum required for the project. Therefore, the diversion of the forest land as above is recommended for acceptance with a condition that the User Agency (NANGALBIBRA-BONGAIGAON TRANSMISSION LIMITED) to deposit 2% of the total project cost for Human Elephant Conflict Mitigation and Wildlife Conservation purpose.

Date:- 09.01.2023
