TWAD Board proposal-two copy

Yours faithfully,

Conservator of Forests(Thanjavur circle)
Chief Conservator of Forests(FAC),
Trichy circle.

7/10/2020

INSPECTION REPORT

The proposed area for diversion is 0.12 ha in the Pudukottai Kasba west RL of Pudukottai range in Pudukottai west division.

I have inspected the site on 06.10.2020 with District Forest Officer and Forest Range Officer, Pudukottai Division. The diversion of Reserve Land for providing 0.70 mild water supply to TNSCB housing for all (HFA) project area for 1920 tenements at Narimedu of Pudukottai District.

The proposed pipeline will run through the Pudukottai Kasba west Reserve Land for a length of 1600 meters and width of 0.75 m. Hence, 0.12 Ha of diversion is required. The Reserve Land is already leased out to TAFCON for raising plantation. This pipeline will run along the Pudukottai-Killukottai-Manniyarapatti road which already has right of way through the Reserve Land. Since it is meant to supply drinking water to 1920 tenements at Narimedu & 1750 habitations in Pudukottai district, I recommend this proposal.
