

**RECOMMENDATION OF THE ADDITIONAL PRINCIPAL CHIEF CONSERVATOR
OF FORESTS, COIMBATORE CIRCLE, COIMBATORE.**

The project site is situated within the Kurichi Forest block – I, II & III which were notified under section 4 of the Tamil Nadu Forest Act, 1882 and are under Forest Settlement process. The project does not involve any cutting of trees. The proposed improvement of water supply distribution system to 8 areas of Coimbatore Corporation i.e., Kurichi, Kuniyamuthur, Thudiayalur, Vellaikinaru, Vilankurichi, Chinnavedampatti, Saravanampatti and Kalapatti would benefit about 48462 families and for non-domestic purpose numbering 2146. There is no other suitable alternative non-forest land is available for this project. The forest land of 0.21 hectare required for this project is the bare minimum and the project is not likely to adversely impact on forest and wildlife. Hence, the proposal is recommended.
