

PART III

(To be filled up by the concerned Conservator of Forests)

Sl No.	Description	
14.	Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the dated inspection & observations made in form of inspection note to enclosed.	Yes, On 09.09.2021
15.	Whether the concerned Conservator of Forests agree with the information given in Part B and the recommendation of Deputy Conservator of Forests.	Yes
16.	Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.	The Project concerned is very much essential from economic development point of view of various states involved and more specifically important for West Bengal. The area required from Purulia Division is the bare minimum. There is no case of displacement of any family by this pipe line project. The supply of gas by this pipe line will have direct & indirect effect on Forest Conservation by reducing the tree felling by forest dwellers/dependants.
