

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

2-96-93 ha. Forest land is required for the construction of Munder Kungal Makrog Khorl Gadasu 0-25-00 ha. for dumping. The total length of the road is 9/730 kms. Out of which 5/930km. road will pass through forest land and 3/800 kms. will pass through private land road being constructed to provide motor link to villages Munder Kungal Makrog Khorl Gadasu. The road cater the need of population of about 1247 and will give boost to the economy. For the construction of this road and dumpind sites 3-21-93ha. of forest land required to diverted. The survey work along with this proposed alignment was completed

Since the beneficiary villages are surrounded by forest. No any other alignment feasible connect the villages Munder Kungal Makrog Khorl Gadasu. If any alignment proposed it required huge area of forest land and large number of trees will required to remove.

Hence, there escap from using the forest land. This proposed alignment involved lesses no. forest land, finalized for construction of road.
